Welcome to your health care program for UC Berkeley Students

As a registered student at a University of California campus, you have an outstanding health care program available to you. This brochure explains the UC Student Health Insurance Plan (UC SHIP) and how it fits into the program. To understand how UC SHIP works, it is important to understand that your health care consists of two parts:

How the UC Student Health Insurance Plan (UC SHIP) fits into your health care program

1. University Health Services (UHS)

University Health Services is a complete outpatient health center for students, providing medical, mental health and preventive care. UHS clinicians provide your primary care while you're on campus. All registered students may use the services of UHS, regardless of what type of major medical insurance they have. Services are partially supported by registration fees and/or health care fees. Visit

www.uhs.berkeley.edu/students/insurance for more information on available services and fees.

2. The UC Student Health Insurance Plan (UC SHIP)

The University of California requires all students to have major medical insurance and provides the UC Student Health Insurance Plan (UC SHIP) to meet this requirement. UC SHIP is a major medical, mental health, dental and vision plan. While UHS (above) provides primary care to students on campus, UC SHIP covers care outside of UHS, including hospitalization, off-campus or out-of-area care while traveling, and some specialty services not available at UHS. Students are automatically enrolled in UC SHIP, and there is a charge on your campus billing statement. Students can choose to keep UC SHIP or they can waive enrollment if they have comparable coverage. Most students keep their UC SHIP enrollment because it is a solid, comprehensive and affordable plan that offers excellent benefits. As long as students are registered, it covers them 12 months a year anywhere in the world. Also, UC SHIP and UHS work hand-in-hand (See section – *How UC SHIP works in conjunction with UHS*).

How UC SHIP works in conjunction with UHS

Most of the health care services you will need are available at the University Health Services and are covered by UC SHIP. When you need care, simply call the University Health Services to make an appointment. UHS can provide information about fees for services, if any. UHS fees are generally lower than those charged by local doctors' offices and hospitals.

If you need services at another health care facility, UC SHIP and UHS work together to provide comprehensive health care. UHS clinicians coordinate medical services, and Student Health Insurance Office staff provides authorizations for covered services and ensures that claims are handled accurately. For off-campus care, UC SHIP contracts with Anthem Blue Cross to provide access to medical and mental health services through an extensive network of hospitals and providers.

The UC Student Health Insurance Plan (UC SHIP)

What does UC SHIP cover?

Note: *The following is a brief summary of benefits. Please see Description of UC SHIP Benefits in this brochure for extended information. Full benefits are described in the Benefit Booklet available at ucop.edu/ucship.*

- **UC SHIP medical coverage uses an Anthem Blue Cross Preferred Provider Organization (PPO).** Student benefits include 100% coverage of office visits after a \$15 or \$20 copayment (not subject to deductible), 100% coverage of emergency care after a \$100 copayment (not subject to the deductible), 90% hospital coverage, plus 90% coverage for outpatient services such as lab work and X-rays provided by Anthem Blue Cross network providers. A \$200 annual deductible applies to services outside UHS that have coinsurance. The deductible does not apply to medical or mental health office visits, prescription medications or other services with a set-dollar copayment. Student members are covered for emergency and authorized non-emergency medical care anywhere at any time. For more on student benefits, see page 15; for dependent benefits, see page 22.
- **UC SHIP coverage of UHS fees.** Most services provided at UHS are pre-paid through registration fees. If you incur fees for services at the UHS, the plan will cover the service according to the benefits listed starting on page 15. In most cases, there are no claims to file for UC SHIP members.
- **Vision coverage,** is offered by the UC Berkeley School of Optometry and provides annual eye exams for a \$5 copay; and frames, lenses or contact lenses for a \$15 copay once every 12 months, up to a \$120 value. Also, plan members receive a 20% discount on lens options and a 50% discount on Lasik or PRK refractive surgeries.

For more information, please visit www.ucop.edu/ucship

- **UC SHIP dental coverage**, provided by Delta Dental, includes the following benefits when using a Delta Dental PPO Dentist: 100% coverage of preventive services such as exams, cleanings and X-rays with no deductible; 80% coverage of basic dental care and 50% coverage of major services, with a \$25 annual deductible.

Who may enroll in UC SHIP?

Groups eligible for UC SHIP include:

- All registered students at the University of California, Berkeley, including registered international students and students registered in-absentia, who are automatically enrolled in the University's Student Health Insurance Plan and charged a health insurance fee on their registration bill.
- All non-registered "Filing Fee" status students who are completing work under the auspices of the University of California, but are not attending classes. Students on "Filing Fee" status must purchase UC SHIP through Wells Fargo Insurance Services at 800-853-5899 (they are not automatically enrolled). "Filing Fee" students are allowed to purchase UC SHIP for a maximum of one semester. The student must have been covered by the plan in the term immediately preceding the term the student wants to purchase, or, if the student waived enrollment in the prior coverage period, show proof of loss of the plan used to waive. Proof of loss means an official letter of termination from the insurance carrier.
- All non-registered students at the University of California Berkeley campus who are on Withdrawal or Concurrent enrollment status. While in either status, these students may purchase plan coverage for a maximum of one semester. The student must purchase UC SHIP through Wells Fargo Insurance Services at 800-853-5899 (they are not automatically enrolled). The student must have been covered by the plan in the term immediately preceding the term the student wants to purchase, or, if the student waived enrollment in the prior coverage period, show proof of loss of the plan used to waive. Proof of loss means an official letter of termination from the insurance carrier.
- All former students who have completed their degree (graduated) during the term immediately preceding the term for which they want to purchase coverage. These individuals may purchase plan coverage through Wells Fargo Insurance Services at 800-853-5899, for a maximum of one semester, and must have been enrolled in the plan in the preceding term.

- Dependents of an enrolled student can enroll within the first 31 days of each coverage period during the benefit year. Dependents include a spouse, same-sex domestic partner, or opposite-sex domestic partner if one or both partners are age 62 or over and eligible for Social Security benefits based on age. Natural-born or adopted children up to age 26, or foster children up to age 18, are eligible for enrollment. An unmarried adult child over the age of 26 may be eligible if the child is chiefly dependent on the student, spouse or domestic partner for support and is incapable of sustaining employment due to a physical or mental condition. See the Benefit Booklet for a complete description of eligible dependents.
- Newborns are covered for the first 31 days from birth under the student plan at 90% in-network, or 60% non-network, up to a \$25,000 lifetime maximum. For coverage beyond the first 31 days after birth or \$25,000 of claim expenses, whichever occurs first, the newborn must be enrolled in UC SHIP as a dependent within 31 days of birth by contacting Wells Fargo Insurance Services at 800-853-5899.
- Non-registered students and dependents of students must enroll within 31 days of the start of the coverage period.

Enrolled students may purchase coverage for their dependents by contacting Wells Fargo Insurance Services at 800-853-5899.

The following documentation is required for dependent enrollments:

- For spouse**, a marriage certificate
- For domestic partner**, a Declaration of Domestic Partnership issued by the State of California, or of same-sex legal union other than marriage formed in another jurisdiction, or a completed Declaration of Domestic Partnership form issued by the University
- For natural child**, a birth certificate showing the student, spouse or domestic partner is the parent of the child
- For stepchild**, a birth certificate and a marriage certificate showing that one of the parents listed on the birth certificate is married to the student
- For adopted or foster child**, documentation from the placement agency showing that the student, spouse or domestic partner has the legal right to control the child's health care

Periods of Coverage

Periods of coverage and dates of coverage vary by program in which the student is enrolled. Please contact University Health Services for information on coverage periods.

For more information, please visit www.ucop.edu/ucship

How do I waive UC SHIP coverage?

Registered students may provide evidence of health coverage through another plan and request to waive enrollment in UC SHIP. The coverage must meet minimum benefit criteria established by the University. Waiver applications are completed online during the fall semester waiver period. Visit your University Health Services website to complete the online waiver application. Deadlines for submitting a waiver are posted on the University Health Services website. Registered students will be automatically enrolled in UC SHIP if a waiver application is not submitted by the deadline.

The fall semester waiver is good for one academic year. A new waiver must be completed again during the fall waiver period prior to each academic year that the student is registered. A student who waived UC SHIP enrollment in the fall does not need to complete another waiver application in the spring semester. However, a spring waiver is available for students registering for the first time in the winter or spring, or who did not waive enrollment in a prior term but want to waive for the winter or spring term. A spring waiver is valid for the remainder of that academic year.

How do I use UC SHIP?

Introduction to the UC Student Health Insurance Plan

If you are enrolled under this plan as a student and you need medical care you must first go to University Health Services (UHS) for treatment during their regular hours of operation. University Health Services will help you locate providers and issue authorizations to medical providers when additional care or a specialist is needed.

University Health Services (UHS) will diagnose and treat most illnesses and injuries, coordinate all of your health care and provide an authorization to a participating provider or non-participating provider. Authorizations are made at the sole and absolute discretion of UHS. **The authorization does not guarantee payment or coverage.** The services must be medically necessary and a covered benefit under this plan.

If you receive medical care without prior authorization from UHS, the expenses will not be covered, except for urgent or emergency care of a medical or psychiatric emergency.

Payment of emergency room claims is subject to review by the claims administrator. The claims administrator, Anthem Blue Cross, makes the final determination regarding whether services were rendered for an emergency.

NOTE: Dependents may choose any health care professional or facility that is an Anthem Blue Cross network provider which provides care covered under this plan. To avoid denial of benefits, make sure your dependent uses only providers who participate in Anthem Blue Cross' preferred provider organization program called the Prudent Buyer Plan.

When you are on campus and need care

- Call or visit the University Health Services to make an appointment for medical care.
- Be sure to bring your Student ID card and UC SHIP Anthem Blue Cross card to your appointment. If you lose your Anthem Blue Cross ID card, contact Customer Service at 866-940-8306 and they will assist you with creating a temporary ID card.
- For vision care, use <http://www.uhs.berkeley.edu/students/insurance/visionservices.shtml> for information.
- For dental care, coverage is provided through Delta Dental. With this program, you select a provider from a nationwide network of participating dentists, many of whom are located close to campus. When you make your appointment, let the dentist know you have coverage through Delta Dental. To find a dentist and manage your claims, visit the Delta Dental website at www.deltadentalins.com/ucship.

When you need care off campus

Students must obtain an authorization from your UHS clinician prior to receiving most non-emergency medical and mental health care services outside of UHS in order for the care to be a covered benefit of the plan.

Services must also be medically necessary, and not otherwise excluded, to be covered benefits under UC SHIP. An authorization does not guarantee payment or coverage.

Services outside UHS that do not require an authorization include:

- Services in a hospital emergency room or urgent care center for treatment of a sudden, serious or acute injury, illness or condition
- Prescriptions filled outside of UHS
- Services provided under UC SHIP dental coverage or vision services

Dependents covered under UC SHIP are not required to obtain a UHS authorization to obtain care from Anthem network providers.

For more information, please visit www.ucop.edu/ucship

For off-campus care, UC SHIP contracts with Anthem Blue Cross to provide medical and mental health services through their extensive network of hospitals and providers. If providers or facilities are used that are not part of the Anthem Blue Cross PPO Provider Network, claims will be paid at a percentage of customary and reasonable, which is often significantly lower than the network rate. When you call for an authorization, the University Health Services staff will help you locate an Anthem Blue Cross PPO Provider.

With very limited exceptions, covered dependents must use Anthem Blue Cross network providers. Be sure to bring your Anthem Blue Cross card to your appointment.

Emergency care

In case of emergency (see *Definitions of insurance terms*), students should report directly to the emergency department of the nearest hospital.

UHS authorizations are not required for emergency or urgent care.

Filing claims for services

For services received at UHS, in most cases claims will be submitted to Anthem Blue Cross on the student's behalf.

Students may pay the portion of the charges for which they are responsible at the time of service.

When students receive care outside UHS, the health care provider may require payment of the student's portion of fees at the time of service or they may send a bill after UC SHIP has paid the covered amount. Most health care providers will submit bills directly to Anthem Blue Cross. If a student receives a bill for the full cost of services, the student should contact Anthem Blue Cross for assistance or seek guidance at UHS. Expect to receive an Explanation of Benefits from Anthem Blue Cross, showing what was paid on your claim, within six weeks after submitting a bill. For questions about claims or the Explanation of Benefits, call the University Health Services or Anthem Blue Cross at 866-940-8306.

UC SHIP and your privacy

University Health Services is committed to protecting your privacy and the confidentiality of your health information. Your health information will be used or disclosed for purposes related to your treatment, payment of your fees and insurance claims, and for UHS and UC SHIP operations. Your health information cannot be disclosed to anyone for any other purpose, unless allowed by law, without your written authorization. UHS and UC SHIP privacy policies are available on the website www.ucop.edu/ucship. Comments or concerns about privacy issues may be sent to the University Health Services.

If students do not pay their portion of UHS fees, or if a UHS service is denied coverage by UC SHIP, the student's campus account may be billed for the outstanding amount. The billing statement will state only that the charges were incurred at UHS. No health information is released to the campus billing office. For services outside UHS, charges will be sent directly to the insured's (student's) address.

When you are covered by UC SHIP and another health plan

Please call Anthem Blue Cross Customer Service at 866-940-8306 or go online to www.ucop.edu/ucship and complete the **Coordination of Benefits (COB)** questionnaire with information about your other health plan. UC SHIP covers services at UHS regardless of whether students have coverage through an additional medical plan. UHS will submit claims to Anthem Blue Cross for students in most cases. After students pay the coinsurance amount that UC SHIP considers their responsibility, students may submit claims to their other plans for reimbursement of that amount. UHS does not submit claims to other insurance plan carriers.

For services received outside of UHS, the student's other medical plan will be considered the primary plan, meaning that plan must pay claims first. After the primary plan processes and pays a claim, any remaining charges may be submitted to UC SHIP (the secondary plan). This holds true for all medical plans except Medi-Cal, MRMIP and TriCare; if a student has Medi-Cal, MRMIP or TriCare, UC SHIP will be the primary plan, and Medi-Cal/MRMIP/TriCare the secondary plan. For questions about coordination between plans, call Anthem Blue Cross Customer Service at 866-940-8306.

Insurance after graduation

If you are graduating or if you are losing UC SHIP eligibility because you are no longer a registered student, it is important to plan ahead for continuing health coverage. Graduating students may purchase UC SHIP for one additional semester immediately following graduation if they were enrolled in the plan during their final academic term.

A variety of plans are available to you once your UC SHIP coverage ends. Plan types include short-term coverage, individual plans, a Conversion plan for persons with ongoing medical conditions, and public health insurance programs. Visit <http://www.uhs.berkeley.edu/students/insurance> for more information.

Definitions of insurance terms

Ancillary Services: Services rendered by health care providers other than a physician, such as laboratory, radiology or other diagnostic imaging, physical therapy or other services.

Anthem Blue Cross Network Rate/Negotiated Fee: Negotiated Fee or Network Rate is the amount Participating Providers agree to accept as payment in full for covered services. It is usually lower than their normal charge. These rates are determined by the Anthem Blue Cross PPO Participating Provider Agreements.

Copayment (copay): The amount that an insured person must pay for a covered service, usually due at the time the service is provided. Office visit copays are not subject to the plan-year deductible.

Coinsurance: Coinsurance is similar to copayment, except that it is a percentage of the total charges, rather than a set dollar amount. Example: copayment is \$15 per visit (regardless of the total charges), coinsurance is 10% of total covered charges for the visit.

Customary and Reasonable (C&R): A Customary and Reasonable charge, as determined annually by Anthem Blue Cross, is a charge that falls within the common range of fees billed by a majority of physicians for a procedure in a given geographic region, or that is justified based on the complexity or the severity of treatment for a specific case. When a non-Anthem Blue Cross PPO physician is used, the patient is responsible for payment of all charges in excess of the Anthem Blue Cross C&R payment.

Deductible: The amount of money you need to pay out of pocket before the insurance carrier will pay for services.

Emergency: An emergency is a sudden, serious and unexpected acute illness, injury or condition (including sudden and unexpected severe pain) that you reasonably perceive could permanently endanger your health if medical treatment is not received immediately. Anthem Blue Cross has sole and final determination as to whether services were rendered in connection with an emergency.

Inpatient: A patient who is admitted to the hospital.

Non-network/Fee Schedule: The amount paid to providers who are not members of the Anthem Blue Cross PPO Plan, usually a percentage of customary and reasonable charges (see above). Only a portion of the amount that a nonparticipating provider charges for services is a covered expense under UC SHIP; the patient is responsible for all charges above the coverage level.

Preferred Provider Organization (PPO): A group of medical providers who contract with an insurance carrier to provide the insured with reduced rates.

Description of UC SHIP benefits

Medical and mental health benefits for students and dependents

Please note:

- Students must seek all non-emergency medical and mental health care at University Health Services first. All non-emergency services must be authorized by the University Health Services in order to ensure payment for services. Coverage is worldwide for emergency services and other authorized care.
- There is a \$200 deductible each benefit year for services provided to students outside of UHS. The dependent benefit year deductible is \$400 per covered dependent. The annual deductible applies to all services except those requiring a set-dollar copayment and services requiring no coinsurance or copayment, such as preventive exams and certain immunizations. Home Health Care is an exception and is subject to the deductible. The deductible does not apply to pharmacy services for students or dependents.
- In order to be considered a covered expense of the plan, all services must be medically necessary. Anthem Blue Cross makes the final determination of medical necessity.

For more information, please visit www.ucop.edu/ucship

- For the maximum benefit of 90%, members must receive care within the Anthem Blue Cross PPO Network. If providers or facilities are used that are not part of the Anthem Blue Cross PPO Network, student claims will be paid at 60% of the non-network rate: out-of-pocket costs increase.
- For services provided at UHS, UC SHIP members pay the portion for which they are responsible at the time of service. UHS files a claim with UC SHIP for the remainder of charges. For services received outside of UHS with an authorization, the provider or patient submits itemized bills to Anthem Blue Cross. Claims must be received no later than 11 months after the date the health care service is rendered.
- Students are responsible for no more than \$3,000 of out-of-pocket coinsurance for in-network services each benefit year, or \$6,000 for non-network services. If you have paid \$3,000 in coinsurance, you will no longer be required to pay coinsurance for in-network services for the remainder of the benefit year. The out-of-pocket maximum does not apply to set dollar copayments, amounts exceeding stated benefit limits (for example, Pharmacy or Physical Therapy limits) or to services not covered by the plan. The in-network and out-of-network coinsurance maximums are separate; neither accumulates toward the other. The dependent out-of-pocket maximum per individual per benefit year is \$6,000 for coinsurance.
- Students and dependents have access to a nurse 24 hours a day, 365 days a year through Anthem's NurseLine. You can call the **24/7 NurseLine** any time to speak with a registered nurse who is trained to help you make more informed decisions about your health situation. For accurate, confidential health information, call **877-351-3457**.
- In addition to the 24/7 NurseLine, graduate students or their dependents who are pregnant have access to a Registered Nurse 24 hours a day, seven days a week to answer questions about important topics related to pregnancy, such as labor, nursing, postpartum depression, etc. For enrolling in Anthem's **Future Moms** program, Anthem will send the member a \$30 Babies "R" Us® gift card. Register for the Future Moms program at no additional cost by calling the toll-free number: **866-664-5404**.

Coverage abroad with BlueCard Worldwide

Whether traveling or living outside of the country, you can use the BlueCard Worldwide program when you need care. Here's how it works when you need care while traveling or living abroad:

1. Before leaving the U.S., call the Customer Service number on the back of your ID card (866-940-8306) to find out exactly how you're covered abroad.
2. Call UHS to obtain information on coverage for international vaccines and the additional University Travel Assistance Program.
3. Always carry your up-to-date Anthem member ID card.
4. In an emergency, go to the nearest hospital.
5. If you need non-emergency care, please contact UHS for an authorization to ensure that your claim for covered services will be paid according to plan benefits.
6. If you need help finding a doctor or hospital, or have any questions about getting care abroad, call the BlueCard Worldwide Service Center toll free at 800-810-BLUE (2583) or collect at 804-673-1177, 24 hours a day, seven days a week. Someone will help you and, along with a medical professional, will arrange for you to see a doctor or have a hospital stay, if needed.
7. If you need to be admitted to the hospital, call the BlueCard Worldwide Service Center toll free at 800-810-BLUE (2583) or collect at 804-673-1177.

For more information, please visit www.ucop.edu/ucship

How do I file a claim?

If the BlueCard Worldwide Service Center arranged your hospitalization, the hospital will file the claim for you. You will need to pay the hospital for the out-of-pocket expenses you normally pay (deductible, copay, coinsurance).

For outpatient and doctor care, or inpatient care not arranged through the BlueCard Worldwide Service Center, you will need to pay the health care provider and submit an international claim form with the original bills to the Service Center.

International claim forms are available by calling the Customer Service number on your ID card (866-940-8306) or the Service Center by going online to BCBS.com/bluecardworldwide. Or call BlueCard Worldwide Service Center at 800-810-2583, or collect: 804-673-1177.

UC Travel Accident Policy

The University also provides a travel accident policy for students traveling on University business which is administered by the UC Office of the President at no additional cost to students. For more information about this benefit, please go to:

http://atyourservice.ucop.edu/employees/health_welfare/_biz_trvl_accident.html

Please note that in order to receive coverage for this benefit (which includes medical evacuation and repatriation of remains while studying and researching in a foreign country) you **MUST** register prior to your trip. Registration is simple and takes less than 5 minutes. You may register here:

UC Student Health Insurance Plan benefits for dependents

Benefits for dependents enrolled in UC SHIP vary from student member benefits. For dependents, UC SHIP is an Exclusive Provider Organization (EPO).

EPO members must receive health care services from Anthem Blue Cross PPO (Prudent Buyer) network providers, unless they receive authorized referrals from an Anthem PPO provider or need emergency and/or out-of-area urgent care. Emergency services received from a non-PPO hospital and without an authorization are covered only for the first 48 hours. Coverage will continue beyond 48 hours if the member cannot be moved safely.

Lifetime Maximum: \$400,000 per person

Benefit Year Deductible: \$400 per person

The annual deductible applies to all services listed below, except where noted.

UCB Vision

The vision plan is not part of UC SHIP. The vision plan is provided by UCB Student Health. Information about the vision plan is included in this UC SHIP brochure only as a convenience to the student; all inquiries regarding vision services should be directed to the UCB Student Health or School of Optometry.

Vision plan benefits include:

- Eye exam for a \$5 copay, once every 12 months
- Frames and lenses or contact lenses, for a \$15 copay, once every 12 months, up to a \$120 value
- 20% discount on lens options such as Transitions® lenses, antireflective or anti-scratch coatings, UV protection and others
- 50% discount on Lasik or PRK refractive surgeries
- 24/7 access to emergency care

You will be expected to pay the copayment and other fees at the time of service. There are no claims to file.

If you are away from Berkeley and urgently need replacement of prescription ophthalmic materials that were originally dispensed by the School of Optometry, such as glasses or contact lenses, the School will provide overnight shipping at no additional charge.

Please note:

- If lenses and frames or contact lenses are chosen that exceed the \$120 allowance, the cost above \$120 is the responsibility of the student. Contact lens wearers may be subject to a contact lens evaluation fee or, for first-time users, a fitting fee.
- Services are covered only if they are provided by the UC Berkeley School of Optometry. Services are available at these UC Berkeley School of Optometry Clinic locations throughout California:
 - Cal State University (CSU) Student Health Centers: Los Angeles, Northridge, East Bay (Hayward), San Francisco, Sacramento
 - Community-based clinics: Castle Family Health Atwater, CA (near Merced) Alameda County Medical Center – Eastmont Wellness Center (Oakland)

Dental benefits for students and dependents

UC SHIP provides a Preferred Provider (PPO) dental plan through Delta Dental. The PPO plan is designed to give you the highest benefits **only** when you receive services from a **Delta Dental PPO dentist**. Additionally, PPO dentists have agreed to discount their fees for students enrolled in a PPO plan, so your out-of-pocket costs will be lower. Delta Dental has many different types of networks available, so be sure you select a PPO dentist from our list at www.deltadentalins.com/ucship. Or, if you currently have a dentist, ask that dentist if he or she is a **Delta Dental PPO dentist**. If you choose a dentist who is not a **Delta Dental PPO dentist** (such as a Delta Dental Premier dentist), your benefits will be significantly reduced and your out-of-pocket expenses will be higher. Go to the Delta Dental UC SHIP website www.deltadentalins.com/ucship to learn more about your dental program.

Medical Exclusions and Limitations

Medical care that is not covered by UC SHIP (Anthem Blue Cross)

This is a summary only. Please refer to your Benefit Booklet for all terms and conditions of the plan. Sections named in capital letters below refer to the sections in the Benefit Booklet. The Benefit Booklet is available online at www.ucop.edu/ucship.

No payment will be made under this plan for expenses incurred for or in connection with any of the items below. (The titles given to these exclusions and limitations are for ease of reference only; they are not meant to be an integral part of the exclusions and limitations and do not modify the intent of the provision or limitations.)

Acupuncture. Acupuncture treatment except as specifically stated in the “Acupuncture” provision of MEDICAL CARE THAT IS COVERED. Acupressure, or massage, to control pain, treat illness or promote health by applying pressure to one or more specific areas of the body based on dermatomes or acupuncture points.

Air Conditioners. Air purifiers, air conditioners, or humidifiers.

Clinical Trials. Services and supplies in connection with clinical trials, except as specifically stated in the “Cancer Clinical Trials” provision under the section MEDICAL CARE THAT IS COVERED.

Commercial Weight Loss Programs. Weight loss programs, whether or not they are pursued under medical or vocational, or training in nature except as specifically provided or arranged by us. Such services are provided under the “Home Infusion Therapy,” “Pediatric Asthma Equipment and Supplies,” or “Diabetes” provisions of MEDICAL CARE THAT IS COVERED. This exclusion does not apply to counseling for the treatment of anorexia nervosa or bulimia nervosa.

Excess Amounts. Any amounts in excess of covered expense or the benefit year maximum.

Experimental or Investigative. Any experimental or investigative procedure or medication. But, if you are denied benefits because it is determined that the requested treatment is experimental or investigative, you may request an independent medical review as described in INDEPENDENT MEDICAL REVIEW OF DENIALS OF EXPERIMENTAL OR INVESTIGATIVE TREATMENT.

Eye Surgery for Refractive Defects. Any eye surgery solely or primarily for the purpose of correcting refractive defects of the eye such as nearsightedness (myopia) and/or astigmatism. Contact lenses and eyeglasses required as a result of this surgery.

Food or Dietary Supplements. Nutritional and/or dietary supplements, except as provided in this plan or as required by law. This exclusion includes, but is not limited to, those nutritional formulas and dietary supplements that can be purchased over the counter, which by law do not require either a written prescription or dispensing by a licensed pharmacist.

Government Treatment. Any services actually given to you by a local, state or federal government agency, or by a public school system or school district, except when payment under this plan is expressly required by federal or state law. We will not cover payment for these services if the insured person is not required to pay for them or they are given to you for free.

Health Club Memberships. Health club memberships, exercise equipment, charges from a physical fitness instructor or personal trainer, or any other charges for activities, equipment or facilities used for developing or maintaining physical fitness, even if ordered by a physician. This exclusion also applies to health spas.

Hearing Aids or Tests. Hearing aids, except as specifically stated in the “Hearing Aid Services” provision of MEDICAL CARE THAT IS COVERED. Routine hearing tests, except as specifically provided under “Physical Exam” and “Hearing Aid Services” provisions of MEDICAL CARE THAT IS COVERED.

For more information, please visit www.ucop.edu/ucship

Infertility Treatment. Any services or supplies furnished in connection with the diagnosis and treatment of infertility, including, but not limited to, diagnostic tests, medication, surgery, artificial insemination, in vitro fertilization, sterilization reversal, and gamete intrafallopian transfer.

Inpatient Diagnostic Tests. Inpatient room and board charges in connection with a hospital stay primarily for diagnostic tests which could have been performed safely on an outpatient basis.

Lifestyle Programs. Programs to alter one's lifestyle which may include but are not limited to diet, exercise, imagery or nutrition.

This exclusion will not apply to cardiac rehabilitation programs approved by us.

Mental or Nervous Disorders or Substance Abuse. Academic or educational testing, counseling, and remediation. Any treatment of mental or nervous disorders or substance abuse, including rehabilitative care in relation to these conditions, except as specifically stated in the "Mental or Nervous Disorders or Substance Abuse" provision of MEDICAL CARE THAT IS COVERED.

Any educational treatment or any services that are educational, vocational, or training in nature except as specifically provided or arranged by us.

Non-licensed Providers. Treatment or services rendered by non-licensed health care providers and treatment or services for which the provider of services is not required to be licensed. This includes treatment or services from a non-licensed provider under the supervision of a licensed physician, except as specifically provided or arranged by us.

Not Covered. Services received before your effective date or after your coverage ends, except as specifically stated under CONTINUATION OF BENEFITS.

Not Medically Necessary. Services or supplies that are not medically necessary, as defined.

Not Specifically Listed. Services not specifically listed in this plan as covered services.

Optometric Services or Supplies. Optometric services are covered under a separate Vision Plan (see the Blue View Vision Plan Benefit Booklet, available at your Student Health & Counseling Services or on the plan website). Eye exercises including orthoptics. Routine eye exams and routine eye refractions, except as specifically provided under "Physical Exam" provision of MEDICAL CARE THAT IS COVERED. Eyeglasses or contact lenses, except as specifically stated in the "Prosthetic Devices" provision of MEDICAL CARE THAT IS COVERED.

Orthodontia. Braces and other orthodontic appliances or services.

Orthopedic Supplies. Orthopedic shoes (other than shoes joined to braces) or non-custom molded and cast shoe inserts, except for therapeutic shoes and inserts for the prevention and treatment of diabetes-related foot complications as specifically stated in the “Prosthetic Devices” provision of MEDICAL CARE THAT IS COVERED.

Outpatient Occupational Therapy. Outpatient occupational therapy, except by a home health agency, hospice or home infusion therapy provider as specifically stated in the “Home Health Care,” “Hospice Care,” “Home Infusion Therapy,” or “Physical Therapy, Physical Medicine And Occupational Therapy” provisions of MEDICAL CARE THAT IS COVERED.

Outpatient Prescription Drugs and Medications. Outpatient prescription drugs or medications and insulin, except as specifically stated in the YOUR PRESCRIPTION DRUG BENEFITS section of this booklet and under the “Home Infusion Therapy” and “Therapeutic/Elective Abortion” provisions of MEDICAL CARE THAT IS COVERED section.

Non-prescription, over-the-counter patent or proprietary drugs or medicines. Cosmetics, health or beauty aids.

Personal Items. Any supplies for comfort, hygiene or beautification.

Physical Therapy or Physical Medicine. Services of a physician for physical therapy or physical medicine, except when provided during a covered inpatient confinement, or as specifically stated in the “Home Health Care,” “Hospice Care,” “Home Infusion Therapy” or “Physical Therapy, Physical Medicine and Occupational Therapy” provisions of MEDICAL CARE THAT IS COVERED.

Private Contracts. Services or supplies provided pursuant to a private contract between the member and a provider, for which reimbursement under the Medicare program is prohibited, as specified in Section 1802 (42 U.S.C. 1395a) of Title XVIII of the Social Security Act.

Private Duty Nursing. Inpatient or outpatient services of a private duty nurse.

Routine Exams or Tests. Routine physical exams or tests which do not directly treat an actual illness, injury or condition, including those required by the DMV, for voluntary participation in any academic, recreational or other program, for employment or by government authority, except as specifically stated in the “Well-Baby and Well-Child Care,” “Physical Exam,” “Adult Preventive Services,” “Breast Cancer” or “Screening For Blood Lead Levels” provisions of MEDICAL CARE THAT IS COVERED.

Scalp hair prostheses. Scalp hair prostheses, including wigs or any form of hair replacement.

For more information, please visit www.ucop.edu/ucship

Services of Relatives. Professional services received from a person who lives in your home or who is related to you by blood or marriage, except as specifically stated in the “Home Infusion Therapy” provision of MEDICAL CARE THAT IS COVERED.

Sex Transformation. Procedures or treatments to change characteristics of the body to those of the opposite sex except as specifically stated in the TRANSGENDER SURGERY BENEFITS section of this booklet.

Sports-related Conditions. Expenses incurred for treatment of sport-related accidental injury resulting from intercollegiate and professional sports.

Sterilization Reversal. Reversal of sterilization.

Surrogate Mother Services. For any services or supplies provided to a person not covered under the plan in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).

Unauthorized Services. With respect to students only: Services not authorized by University Health Services. This exclusion does not apply to urgent care or emergency room care.

Voluntary Payment. Services for which you are not legally obligated to pay. Services for which you are not charged. Services for which no charge is made in the absence of insurance coverage, except services received at a non-governmental charitable research hospital. Such a hospital must meet the following guidelines:

1. It must be internationally known as being devoted mainly to medical research;
2. At least 10% of its yearly budget must be spent on research not directly related to patient care;
3. At least one-third of its gross income must come from donations or grants other than gifts or payments for patient care;
4. It must accept patients who are unable to pay; and
5. Two-thirds of its patients must have conditions directly related to the hospital’s research.

Work-related. Work-related conditions if benefits are recovered or can be recovered, either by adjudication, settlement or otherwise, under any workers’ compensation, employer’s liability law or occupational disease law, even if you do not claim those benefits.
